Re: Open Letter to Shareholders

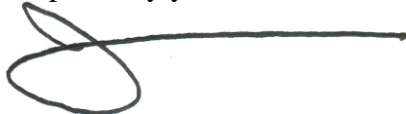

Dear Shareholder:

It has come to the attention of Management of both eFUEL EFN, Corp. and INEX Solutions, Inc. that several shareholders have taken it upon themselves to contact clients and/or potential clients of INEX Solutions, Inc. in an effort to communicate with the officers and/or owners of these clients and/or companies.

Repeated contact with INEX Solutions, Inc. clients and/or potential clients jeopardizes any ongoing and/or potential business relationship between the companies. More specifically on June 30, 2010, eFUEL released the attached Press Release with respect to Extreme Synergy, Corp., afterwards several shareholders contacted Extreme Synergy Corp., such actions only serve to damage corporate relationships. Any and all questions as to business of eFUEL EFN, Corp. and/or INEX Solutions, Inc. should be directed to Shareholder Relations at 727-698-7492.

Should you have any questions and/or comments regarding this matter, please do not hesitate to call me directly.

Respectfully yours,

Joseph Cillo
Only as CEO of
eFUEL EFN, Corp.
