Tampa, Fla. – June 25, 2010 (GLOBE NEWSWIRE) – eFUEL EFN, Corp. (Pink Sheets: EFLN) is pleased to announce that INEX Solutions, Inc. has been verified and approved by the Federal Government as a Veteran Owned Small Business (VOSB) in accordance with PL 109-461 by the Center for Veterans Enterprise. The INEX registration in the Vetbiz Registry now displays the “Verified” logo.

INEX is a Service Disabled Veteran Owned Small Business (SCVOSB) with the Veterans Administration. As a registered SDVOSB with a Central Contractor Registration (CCR) and an Online Registration Certificate (ORCA), INEX is poised for a large growth of business at the Federal and State level. To better address these business opportunities, INEX will concentrate their efforts on GSA schedule 738x SIN 595-27 (Pre-Employment background checks) and Schedule 84 SIN 426 4M (Drug testing and Drug test kits). In 2009 these two SIN’s represented GSA purchases of \$79 million and \$16 Million respectively. A GSA schedule is a pre-negotiated contract that will allow Federal and State agencies to order products and services directly from INEX without going through the competitive bid processes.

eFUEL has signed an agreement with a party to acquire 30% of INEX Solutions, Inc., which is a Tampa based private company. INEX, which had revenues from all sources of over \$1.7 million in 2009, and a before tax profit of approximately \$200,000. INEX Solutions, Inc. just recently became certified as a Service Disabled Veteran Owned Small Business (SDVOSB) with the Small Business Administration.
